

3|6 Islander 36 NEWS

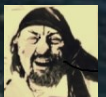

SPRING 2020
Volume 7, Issue #6 SI

From the Editor... *(by Phillip Seaman)*

Another year has come and gone, well almost, and its time for our annual fall meeting event, which is sadly NOT going to happen this year due to too much Corona Beer (virus) going around, the fires, and PG&E power cuts... wait for it there might be an earthquake just around the corner!

To cheer everyone up and get us on the right tack for the new year here is a special issue of the **I36News** dedicated to all our skippers, families and crews. This issue is void of any of those annoying BoD articles, how too's, and fix it's etc. This issue is chock full of nothing but wonderful images of Islander 36's, their skippers and crews.

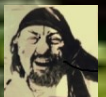

I hope you enjoy this special issue and find one photo that excites you enough to vote for it. For the most voted yacht it will be featured in the next issue of the I36News.
